

Sustain & Save

by Commute66

Sustain & Save is an incentive program created by Commute66 to reduce traffic congestion and improve air quality along the I-66 corridor in Northern Virginia. Your employer has partnered with Commute66 to invite eligible employees to join the *Sustain & Save* program.

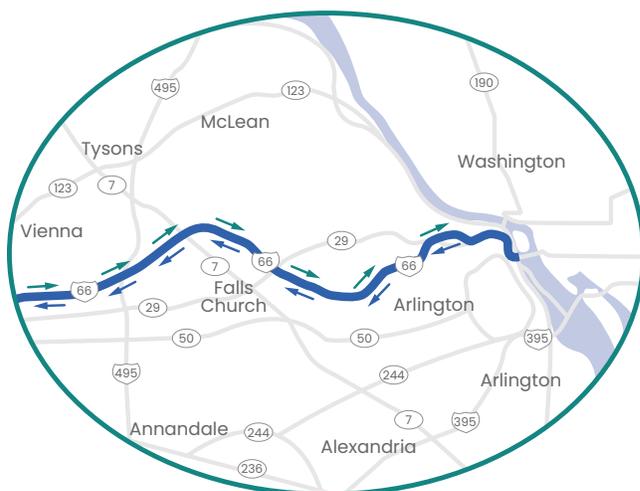

Eligible employees can receive \$100 per month* when they switch from parking in favor of a sustainable mode of transportation such as public transit, carpooling, vanpooling, walking, or biking.

Do You Qualify?

- ▶ Drive along I-66 inside the beltway during tolling hours and in the tolled direction to/from worksite
- ▶ Currently park onsite at your workplace
- ▶ Willing to trade in your parking pass in favor of another commuting option

Tolling Hours & Directions

- Eastbound
5:30 a.m. - 9:30 a.m.
- ← Westbound
3:00 p.m. - 7:00 p.m.

Benefits You'll Experience

Commute66 will help find the best commuting option for you and joining *Sustain & Save* has additional benefits:

- ▶ Reduce expenses on parking and maintenance of your personal vehicle
- ▶ Lower your carbon footprint
- ▶ Improve financial, physical, and mental wellness
- ▶ Receive additional commuting support from other regional or employer-provided programs

Start Planning Today

- ▶ Learn more about *Sustain & Save*
- ▶ Contact Commute66 to check your eligibility
- ▶ Complete the *Sustain & Save* Employee Application

**Participating individuals receive \$100 per month Sustain & Save incentive through June 2022, with possibility to extend based on funding.*
