Sustain & Save

by Commute66

Sustain & Save is an incentive provided by Commute66 to reduce traffic congestion and improve air quality along the I-66 corridor in Northern Virginia. *Sustain & Save* provides eligible employees of participating employers with **$100 per month** when they stop parking at the worksite and opt for another mode of transportation such as public transit, carpooling, vanpooling, walking, or biking.

Sustain & Save Benefits

- Decreased rates of tardiness and absenteeism
- Enhanced sustainability
- Increased employee financial, physical, and mental wellness
- Improved employee morale and productivity
- Reduced expenses on parking benefits and facilities

Support Your Company Will Receive

- Complimentary events and materials to promote *Sustain & Save* to employees
- Customized consulting to encourage incentive use and implementation to supporting commuter programs
- Assistance combining *Sustain & Save* with other incentives, such as the SmartBenefits Plu$50 program*

*SmartBenefits Plu$50 is only available to companies and employees located in Fairfax County.*

Does Your Company Qualify?

Your company can become a participating *Sustain & Save* employer if your organization:

▸ Occupies an office located within a three-mile radius of I-66 inside the beltway

▸ Employs individuals who drive along I-66 inside the beltway during tolling hours in the tolled direction and park at your worksites

Tolling Hours & Directions
Exits 64 — 75

→ Eastbound
5:30 a.m. — 9:30 a.m.

← Westbound
3:00 p.m. — 7:00 p.m.
